

Mirror Wardrobe Doors

by American

ABS - AMERICAN BUILDING SUPPLY, INC.

At American Building Supply we pride ourselves in offering the highest quality at a competitive price. Every American Wardrobe system has been engineered for durability and will provide years of trouble free use.

Standard Features:

Rattle free top guides, smooth operating bottom rollers with jump resistant bottom track.

Optional:

Triple Track System to allow 2/3 access to your closet opening - not available in steel units. Custom sizes are available to fit your special opening.

Beveled glass finger pull accessory included with all Frameless and Thinline 4000 Series and 4100 Series mirror door sliders.

Series 3100

Aluminum Widestile Mirror Sliders

The Aluminum System:

- Standard self adjusting anti-rattle top guides and high quality bottom rollers & track
- Stiles: 1-1/2" face measurement
- Rails: 5/8" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 9/32" H

Colors available: White, Anodized Gold, Bright Gold, Bright Silver, Brushed Nickel

Give your room the look you have always wanted with the Series 3100. Wide aluminum stile framing makes a bold statement. An aluminum frame and track mirror bi-pass, that is bottom rolling and top guided on an engineered "jump resistant" track system.

Series 4000

Painted Steel Frameless/ Thinline Mirror Sliders

The Steel Frameless System:

- Standard self adjusting anti-rattle top guides and high quality bottom rollers & track
- Offers 'edgeguard' stiles
- Frameless stiles: 1/16" face measurement
- Thin line stile: 3/8" face measurement
- Rails: 3/8" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 1/2" H

Colors available: White, Satin Gold

Give your room the mirrored wall look with the Series 4000 frameless system or the fine detail of the thinline. Both will add elegance to any room. The Series 4000 frameless comes standard with polished edge mirror or you can order them with 1/2" bevel to add that extra touch of elegance.

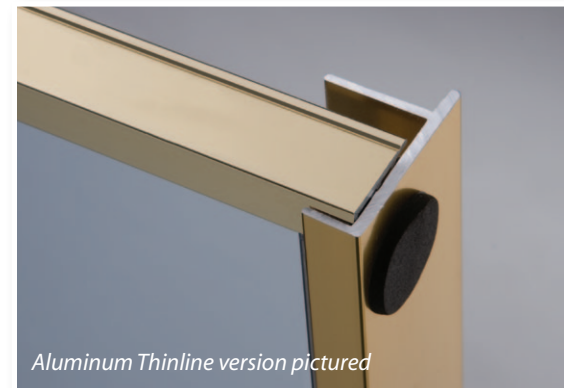

Series 4100

Aluminum Frameless/Thinline Mirror Sliders

The Aluminum Frameless System:

- Standard self adjusting anti-rattle top guide and high quality bottom rollers & track
- Offers 'edgeguard' stiles
- Frameless stiles: 1/16" face measurement
- Thin line stile: 3/8" face measurement
- Rails: 3/8" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 9/32" H
- Mirror fascia available in 8' lengths

Colors available: Bright Gold, Bright Silver

Create the illusion of larger square footage with the Series 4100 frameless system or the fine detail of the thinline. Both will add brilliant elegance to any room. The Series 4100 frameless comes standard with polished edge mirror or you can order it with 1/2" bevel to add that extra touch of elegance.

Series 2100

Aluminum Narrow Stile Mirror Sliders

The Aluminum System:

- Standard self adjusting anti-rattle top guides and high quality bottom rollers & track
- Stiles: 7/8" face measurement
- Rails: 5/8" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 9/32" H

Colors available: White, Anodized Gold, Bright Gold, Bright Silver

Give your room the look you have always wanted with the Series 2100 narrow aluminum stiles with an innovative distinctive design. Engineered with an integral pull area for effortless operation. The frame is attached to the mirror with a premium clear vinyl glazing channel that eliminates vibration and noise.

Series 6100

Aluminum Frameless/Thinline Mirror Bi-Fold

The Aluminum Frameless Bi-fold System:

- Standard self adjusting anti-rattle top guides and high quality bottom pivot & track
- Offers 'edgeguard' stiles
- Frameless stiles: 1/16" face measurement
- Thin line stile: 3/8" face measurement
- Rails: 5/16" face measurement
- Top track: 1"W, 3/4"H
- Bottom track: 1"W, 1/2" H

Colors available: Bright Gold, Bright Silver

BIFOLD UNITS NOT AVAILABLE IN SOUTHERN CALIFORNIA

Aluminum Frameless version pictured

Create the illusion of larger square footage with the Series 6100 frameless system or the fine detail of the thinline. Both will add brilliant elegance to any room. The Series 6100 frameless comes standard with polished edge mirror or you can order it with 1/2" bevel to add that extra touch of elegance.

Series 6000

Painted Steel Frameless/ Thinline Mirror Bi-Fold

The Aluminum Frameless Bi-fold System:

- Available in thinline or frameless models
- Frameless stiles: 1/16" face measurement
- Thin line stile: 3/8" face measurement
- Rails: 5/16" face measurement
- Top track: 1"W, 3/4"H
- Bottom track: 1"W, 1/2"H

Colors available: White, Satin Gold

BIFOLD UNITS NOT AVAILABLE IN SOUTHERN CALIFORNIA

Designer elegance with full closet access. The Series 6000 offers smooth operation as well as long-lasting durability. Series 6000 comes standard with polished edge mirror on the frameless and is protected by the 'edgeguard' feature, or you can order it with 1/2" beveled glass. The Series 6000 thinline offers another decorator option of protected thin stiles.

Series 1000

Painted Steel Vinyl Sliders

The Vinyl System:

- Uses prefinished panel, eliminates painting
- Smooth operating bottom rollers
- Stiles: 7/8" face measurement
- Euroframe stiles: 1-3/8" face measurement
- Rails: 3/4" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 1/2"H

Frame colors available: White, Satin Gold, Bronze, Brushed Nickel (Euroframe only)

Panel color options: White, Oak, Walnut

BRONZE FRAME AND WALNUT PANEL NOT AVAILABLE IN SOUTHERN CALIFORNIA

The Series 1000 is the most economical system in our collection. An alternative to hollow core closet doors.

Brushed Nickel Euroframe version pictured

Series 1200

Six Panel Molded Panel Steel Slider

The Steel System:

- Uses factory painted six panel molded panel (semi gloss white)
- Smooth operating bottom rollers
- Stiles: 7/8" face measurement
- Euroframe stiles: 1-3/8" face measurement
- Rails: 3/4" face measurement
- Top Track: 3-3/8"W, 1-7/8"H
- Panels unfinished to inside

Colors available: White, Satin Gold, Bronze, Brushed Nickel (Euroframe only)

The Series 1200 is offered in factory painted six panel-molded door in semi gloss white.

Series 1500

Painted Steel Mirror Sliders

The Steel System:

- Quick and easy to install
- Stiles: 7/8" face measurement
- Euroframe stiles: 1-3/8" face measurement
- Rails: 3/4" face measurement
- Top track: 3-3/8"W, 1-7/8"H
- Bottom track: 2-7/8"W, 1/2"H

Colors available: White, Satin Gold, Bronze, Brushed Nickel (Euroframe only)

The economical solution to enlarge your room. The Series 1500 offers smooth operation as well as long-lasting durability.

**Brushed Nickel Euroframe Option
available on Series 1000,
Series 1200 and Series 1500**

Limited Five-Year Warranty

American Building Supply Inc. guarantees its mirror wardrobe door products to be free of defects in material and workmanship for five (5) years from the original date of purchase. This warranty extends to the original purchaser and the first consumer owner only.

If this product fails due to defects in material or workmanship during the warranty period, we will, at our option, repair it, replace it with similar product or refund the original purchase price.

This warranty does not cover:

1. Damage resulting from negligence, misuse, abuse or accident occurring after installation.
2. Mirror breakage.
3. Damage resulting from foreign matter in bottom track or on the back or edges of product.
4. Damage due to use in outside of normal architectural requirements.
5. Defects resulting from modification by others.

In no event shall American Building Supply Inc. be liable for incidental or consequential damages regarding the installation of this product. American Building Supply Inc. shall not be liable for any labor charges or freight cost incurred in the connection with the repair or replacement of this product.
