ABOUT OUR VENEERS

Studio Supplier @ The Kitchen Store has been serving entertainment industry clients for decades (Est. 1965). Our premium veneers are available in every standard cut size, from 4×8 to 2×10 sheets. Perfectly suited for a variety of applications, these veneers will elevate your architectural projects and enhance your room décor with elegance and style. Explore the endless possibilities and bring your vision to life with our high-quality materials.

UNDERSTANDING THE CUTS

How a log is sliced determines the grain pattern of the finished veneer. The four cuts below produce the distinctive looks you will see throughout this catalog.

CONTENTS

- Plain Sliced (16 samples) • Quarter Sliced (11 samples)
- Rift Sliced (2) • Rotary Sliced (4) • Specialty & Rustic (9)

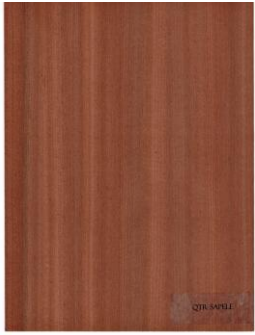

PLAIN SLICED

Plain slicing produces flowing, cathedral-shaped grain patterns from the heart of the log. Our most popular cut for furniture, cabinetry, and architectural panels.
