Interior Doors

Panel

For an elegant traditional look that never goes out of style, combine the wood options that match your home with the classic panel door. Matching interior panels throughout your home will create that designer look.

True stile and rail construction provide quality and charm to the interior of your home. T.M. Cobb stocks Douglas Fir, and offers custom made with various wood species.

Choose the design that meets your homes style and décor. From traditional to contemporary, you will not regret choosing a T.M. Cobb door.
