Please see T.M. Cobb Co.'s Brochure entitled "Care and Finishing Instruction" located on our website at [www.TMCobb.com](http://www.TMCobb.com) under the Brochures section.

Product performance requires proper product selection and correct installation. Therefore, it is the sole responsibility of the Architect, Specification Writer, Contractor, Building Owner or the Installer to ensure the following; (A) All products selected and purchased meet all Local, State and Federal Governments' codes and regulations (B) All products selected and purchased are compatible with any and all conditions that may occur at the installation site either present or future (C) are properly stored, handled, installed and finished.
